Diesel Engines Aftermarket Fluids

Rehlko's aftermarket fluids offer superior wear protection, ensure engine cleanliness, and enhance fuel efficiency beyond what standard lubricants can achieve. They contribute to your equipment's improved performance and increased longevity.

Recommended for Kohler Engines.

Protect your investment.

For your Rehlko/Kohler engine maintenance, choose only Rehlko diesel engine fluids. Rehlko oil and coolant have been specifically engineered and tested for Rehlko/Kohler diesel engines to provide exceptional protection, peak performance and extended equipment life.

10W-40 DIESEL OIL	Xtreme Conditions 10W-40 Oil			
DESCRIPTION	Provides exceptional wear protection and protects the service life of Diesel aftertreatment systems.			
SIZE	5 Liters (case of 4)	20 Liters	209 Liters	1000 Liters
PART NUMBER	ED0003011580-S [EMEA NO ITALY]	ED0003011570-S [EMEA NO ITALY]	ED0003011560-S [EMEA NO ITALY]	ED0003011550-S [EMEA NO ITALY]
	ED0003011720-S [ITALY ONLY]	ED0003011710-S [ITALY ONLY]	ED0003011700-S [ITALY ONLY]	ED0003011690-S [ITALY ONLY]
WHY BUY	<ul style="list-style-type: none"> • Protects against soot agglomeration, reducing abrasive wear and deposit formation. • Maintains proper viscosity over a broad temperature range. • Exceptional oxidation control. • Helps reduce oil consumption. 			

COOLANT	Xtended Life Coolant		
DESCRIPTION	Provides superior heat transfer and excellent protection against corrosion, cylinder-liner cavitation, freezing and boil-over.		
SIZE	5 Liters (case of 4)	20 Liters	209 Liters
PART NUMBER	ED0003022940-S	ED0003022930-S	ED0003022920-S
WHY BUY	<ul style="list-style-type: none"> • Pre-mixed 50/50 with high-purity water. • Based on Organic Additive Technology (OAT). • Fully formulated: does not require the use of supplemental antifreeze/coolant additives (SCAs) or extenders. • Free from BNAPS (Borate, Nitrite, Amine, Phosphate, Silicate) and 2-EHA (2-Ethylhexyl acrylate). 		

Rehlko fluids, including engine oil and coolant, are specifically **recommended for professionals** who require high-performance and reliability in their specialized fields.
