## Diesel Engines Aftermarket Fluids

Rehlko's aftermarket fluids offer superior wear protection, ensure engine cleanliness, and enhance fuel efficiency beyond what standard lubricants can achieve. They contribute to your equipment's improved performance and increased longevity.

Recommended for Kohler Engines.

# Protect your investment.

For your Kohler engine maintenance, choose only Rehlko diesel engines fluids. Rehlko oil, coolant and fuel additives have been specifically engineered and tested for Kohler diesel engines to provide exceptional protection, peak performance and extended equipment life.

5W-40 DIESEL OIL	Xtreme Conditions 5W40 Oil		
<b>DESCRIPTION</b>	Provides exceptional wear protection and protects the service life of Diesel aftertreatment systems.		
<b>SIZE</b>	1 Gallon (case of 4)	5 Gallon	55 Gallon
<b>PART NUMBER</b>	ED0003011590-S [US] ED0003011680-S [CANADA]	ED0003011530-S [US & CANADA]	ED0003011540-S [US & CANADA]
<b>WHY BUY</b>	<ul style="list-style-type: none"> <li>Protects against soot agglomeration, reducing abrasive wear and deposit formation.</li> <li>Maintains proper viscosity over a broad temperature range.</li> <li>Exceptional oxidation control.</li> <li>Helps reduce oil consumption.</li> </ul>		

COOLANT	Xtended Life Formula Coolant	
<b>DESCRIPTION</b>	Provides superior heat transfer and excellent protection against corrosion, cylinder-liner cavitation, freezing and boil-over.	
<b>SIZE</b>	1 Gallon (case of 4)	55 Gallon
<b>PART NUMBER</b>	ED0003022960-S [US] ED0003023050-S [CANADA]	ED0003022980-S [US & CANADA]
<b>WHY BUY</b>	<ul style="list-style-type: none"> <li>Pre-mixed 50/50 with high-purity water.</li> <li>Based on Organic Additive Technology (OAT).</li> <li>Fully formulated: does not require the use of supplemental antifreeze/coolant additives (SCAs) or extenders.</li> <li>Free from BNAPS (Borate, Nitrite, Amine, Phosphate, Silicate) and 2-EHA (2-Ethylhexyl acrylate).</li> </ul>	

FUEL ADDITIVE	Xtra Performance Fuel Additive	Xtra Performance Fuel Additive Arctic Formula
<b>DESCRIPTION</b>	Formulated to clean dirty injectors and provide lubrication to your pump and injectors to reduce wear, increasing fuel quality. Rehlko Extra Performance diesel fuel additives are the right choice to keep your equipment running smoothly, reliably, and efficiently in the toughest operating conditions.	Rehlko Extra Performance Arctic Formula diesel fuel additive offers protection to your engine's fuel system while granting performance efficiency at low temperatures. Featuring improved cold-startability of the engine and prevented fuel gelling, this additive makes the perfect choice for all-season engine protection, the real life-saver of your fuel system at all operating conditions.
<b>SIZE</b>	8 oz (case of 6)	16 oz (case of 12)
<b>PART NUMBER</b>	ED0003023080-S [US] ED0003023120-S [CANADA]	ED0003023070-S [US] ED0003023100-S [CANADA]
<b>WHY BUY</b>	<ul style="list-style-type: none"> <li>Keeps the injectors clean and lubricated.</li> <li>Optimizes the engine performance.</li> <li>Improves clean combustion and emissions.</li> <li>Protects the fuel system from corrosion.</li> <li>Alcohol free.</li> </ul>	<ul style="list-style-type: none"> <li>Formulated to protect fuel system and injectors.</li> <li>Prevents fuel gelling at low temperatures.</li> <li>Maintain your engine startability and performance in winter conditions.</li> <li>Improves engine combustion efficiency.</li> <li>Alcohol free.</li> </ul>
