 **SERIES**  
Gaseous-Fueled Generator  
ENGINE OIL

Stay Moving.  
*Ready · Set · Rehiko*

**Keep your business running** with genuine Rehlko aftermarket parts and services. We know how important uptime is. That's why, at Rehlko, we go the **extra mile engineering our gaseous-fueled generator oils to maximize engine life**, improve efficiency, and reduce seasonal maintenance demands. With Rehlko's exceptional products and expert service teams, you know your generator will perform efficiently so you can **focus on what really matters – running your business**.

## Features & *Benefits*

### Fully Synthetic Formulation

---

**Feature:** Both XCELL Performance 10W-40 and XTREME Conditions 15W-40 oils are 100% synthetic.

**Benefit:** Superior performance and durability over conventional oils, ensuring your generators operate efficiently across a wide temperature range.

### Engine-Specific Engineering

---

**Feature:** Designed exclusively for Rehlko gaseous-fueled industrial generators.

**Benefit:** Tailored solutions for optimized engine performance, resulting in reduced maintenance costs and fewer unexpected repairs.

### Long-Term Wear Protection

---

**Feature:** XCELL Performance oil includes zinc and phosphorus additives, while XTREME Conditions oil offers a low-ash formulation for emissions systems.

**Benefit:** Extends engine life, reduces wear on critical components, and improves operational reliability.

### Enhanced Chemical Additives

---

**Feature:** Advanced additives minimize deposits, prevent wear, and improve fuel efficiency.

**Benefit:** Cleaner engines deliver better reliability, maximum power output, and fewer downtime issues.

## Tested and Proven Performance

**Feature:** Rigorous testing on Rehiko generators ensures compatibility and peak performance.

**Benefit:** Trusted reliability backed by thorough testing, giving you confidence in every application.

# XTREME CONDITIONS

Recommended for 180-500kW gensets with gasified diesel engines.

## Performance Across Power Ranges

**Feature:** XCELL Performance 10W-40 and XTREME Conditions 15W-40.

**Benefit:** Suitable for diverse power requirements, ensuring optimal performance for your generator.

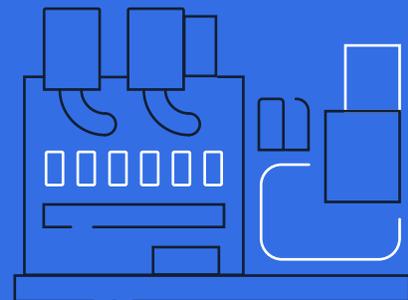

# XCELL PERFORMANCE

Powers gensets of 40-200kW with flat tappet lifter protection.

- ✓ **Improved Efficiency:**  
Enhance fuel economy and power output with specialized formulations.
- ✓ **Reduced Maintenance:**  
Prolong engine life and extend service intervals with superior wear protection.
- ✓ **Reliability You Can Trust:**  
Minimize downtime with oils tailored for Rehiko industrial generators.
- ✓ **Environmental Benefits:**  
Low-ash formulations improve emissions system performance and reduce environmental impact.

## Customer Benefits

# Why Choose Rehlko Gaseous-Fueled Generator *Engine Oils?*

Engineered for long-lasting performance in industrial applications.

Designed to protect your investment and minimize costs over time.

Backed by Rehlko's legacy of innovation and commitment to customer success.

Choose **XCELL Performance 10W-40** for 40-200kW gensets or **XTREME Conditions 15W-40** for heavy-duty applications—because keeping your business running starts with keeping your generator running.
